20 BLOCKS IN CHARMING MILLTHORPE

The opportunity to build your dream home in the historic Millthorpe village almost seems too good to be true. But that's precisely what Spring Grove Estate offers courtesy of 20 ideally located blocks that are ready to be built on. This picturesque cul de sac subdivision has been divided into blocks ranging in size from 585 square metres to 1,488 square metres, all of which are connected to gas, sewer, water, and electricity services. With breathtaking views as the backdrop, and renowned restaurants, cafes, and pubs just a few minutes' walk away, this is your opportunity to purchase a slice of life in one of the Central West's most sought-after locations.
